ORION

A Commercial Elevator

Orion is a fully enclosed **commercial elevator** that makes code compliance fast and easy. Completely redesigned, it meets all current American and Canadian Code requirements for limited-use/ limited application (LU/LA) elevators. It is also suitable for residential use.

This innovative system delivers reliable, quiet, and smooth operation while serving two to four floors. Orion can be personalized to complement any décor. It is a user-friendly, cost-effective solution for both new construction, and when adding an elevator to an existing structure. Easily installed, the Orion can be applied to nearly any low-rise application.

- *Attractive commercial grade call stations.*
- *Roped hydraulics for smooth, quiet and dependable operation.*
- *State-of-the-art PLC controller.*
- *Proven, dependable two-speed door operators.*
