Comfort is not just talk in a Destiny residential elevator. You enjoy the softest, smoothest, most comfortable ride your money can buy.

DESTINY

*Residential Elevator for you,
with you in mind.*

Whether you are designing a new home or condo or already are living in your home, there is a Destiny Residential Elevator for you.

Enjoy elevator cars that are uniquely designed and beautifully styled to suit your decorating taste. Choose wall designs and finishes to blend well with the way you already have decorated your home.

There are five levels of Destiny cabs available. The Level I and Level II cabs, not shown, are laminate cabs. The Level I cabs come with a choice of three laminates - Light Oak, Dark Oak and White. The Level II cabs come in a variety of other laminates to match your specific needs.

Options

- Recessed telephone box
- Automatic car gates
- Automatic hoistway doors
- Hall station finishes
