

STAIR-GLIDE

Stairway Lift

Since 1944, Wright & Filippis has provided reliable, quality service. The Stair-Glide has offered quiet, smooth rides since 1947. Its strength and reliability makes it synonymous with Wright & Filippis.

The Stair-Glide folds to a trim 13" when not in use.

Safety features such as the safety sensor stops the lift automatically in case of an obstruction.

The Stair-Glide is fully able to operate in public buildings including churches, offices, civic buildings and more!

The *Stair-Glide* is available in taupe vinyl as an in-stock color. Additional colors (as shown) and fabrics are available by special order. Your *Stair-Glide* can be further customized by using your own favorite fabrics and colors.

With a capacity of 300 pounds, the *Stair-Glide* effortlessly lifts you in quiet comfort, with a soft start/stop feature. Each unit comes equipped with two call/send buttons, ensuring you and your *Stair-Glide* are never too far apart!

Custom folding rails can solve a problem in high traffic areas, either manual or automatic!

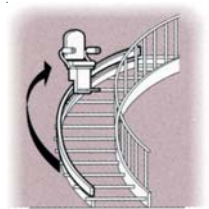

A curved or spiral staircase? No problem! Whether you have multiple landings or unusually-shaped steps, the Stair-Glide track is crafted for your staircase.

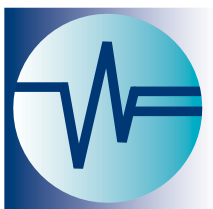

Straight Stairway
