

A Special Invitation

Advanced C-Leg Clinic

Course Objectives:

- ~ Review of the C-Leg's design and function
- ~ Rehabilitation techniques with patient practice
- ~ Improve functional outcomes of current C-Leg users
- ~ Lecture and lab sections

February 8, 2006
1:00pm - 5:00pm

3665 Bay Road
Saginaw, Mi

Therapists: Come casual. If you have an interested student, please bring them.
Patients: Come dressed comfortable and bring one guest to assist in exercises.

This clinic has been designed for a small group. We have limited the size to 6 therapists and 6 patients for instructional reasons.

Please respond by February 3, 2006
by calling Dave Keck at (989) 799-7360
or Brad Shebib at (248) 829-8327.
