RE: Coronavirus Update – April 1, 2020

We mentioned yesterday that we are looking at every and all options relating to the various federal and state ACTS that have passed. If you have been following the news, this includes the CARES act, the Paycheck Protection Program, FFCRA (Families First Coronavirus Response Act), etc. Many of you have forwarded information or have questions on these Acts. Please know we are working quickly and diligently to determine what we are eligible for. We hope to complete this process by Friday and announce any changes to the various steps we have made so far. Each day more information is released on these programs, which could result in different business decisions that impact our employees. Please have patience while we work through these as quickly as possible.
